

Testimonials

"Right away I knew the Midwest Implant Institute was different. Duke and his staff cared about each one of us as doctors, staff, and our patients. He has values, character, and morals and has been a great mentor to me."

Dr. Jim Rutkowski, General Dentist, Clarion, PA

"As an oral surgeon I feel the Midwest Implant Institute training taught me the additional surgical techniques that I needed to make my practice successful in implant dentistry."

Dr. Ramon Perez, Oral Surgeon, Plantation, FL

"The Midwest Implant Institute gave me the excellent training I needed to confidently integrate implant dentistry into my practice."

Dr. Rob D'Orazio, General Dentist, Sterling Heights, MI

"The Midwest Implant Institute Implant training is exactly what a periodontist needs to serve their referral base with implants, while building a larger perio-implant practice."

Dr. Steve Cellier, Periodontist, Freemont, OH

"The Midwest Implant Institute experience and training gave me confidence to do more difficult cases after learning simple procedures."

Dr. Dan Camm, General Dentist, Brunswick, OH

"Midwest Implant Institute has provided the ultimate learning opportunity for me and my staff. My experience with Dr. Duke Heller, Dr. Rob Heller, Vickie and the Institute staff has been truly outstanding."

Dr. Bill Foster, Endodontist, Dublin, OH

"I wanted to be able to help people rid themselves of removable appliances. The Midwest Implant Institute gave me solutions for these patients."

Dr. Doug Peebles, General Dentist, Nicholasville, KY

"They do a great job preparing you and your staff to go back to your office and do implant dentistry with confidence."

Dr. Christian Chirla, General Dentist, Akron, OH

"Absolutely incredible! The best training I have had since my endodontic residency. My patients and I have had a great experience at the Midwest Implant Institute and you will too."

Teaching Faculty:

Alfred "Duke" Heller DDS, MS *Director of Surgery*
Rob Heller DDS *Director of Prosthetics*
Vickie McCune *Director Staff Teaching*
Russell Kiser DDS, MS
Kim Laurel DDS, MS

Dr. Alfred "Duke" Heller, founder of the Midwest Implant Institute, limits his practice to the placement of dental implants, and has placed more than 20,000 implants since 1969. He received both his DDS (1962) and MS (1974) from Ohio State University. He is a fellow of the American Academy of Implant Dentistry, is Board Certified in Oral Implantology and is past president of the American Board of Oral Implantology. Dr. Heller is also on the staff at Grady Memorial Hospital.

Dr. Robert Heller is a graduate of Ohio Wesleyan University and the Ohio State University College of Dentistry (1988). He completed a Prosthetic residency at Medical College of Virginia (1990) and a hospital based implant residency at Loma Linda University Dental School (1997) He served as President of the Ohio Section of the American College of Prosthodontics and Chairman for the Ohio Dental Association's Subcouncil on Young dentists. Dr. "Rob" is a teaching faculty member of the Midwest Implant Institute since 1995, and director of the prosthetic arm of the institute.

Dr. Kim Laurell is a 1976 graduate of the Ohio State University College of Dentistry and received a Master of Science in Prosthodontics 1986. He was a full-time faculty member at OSU for 20 years and coordinated the fixed prosthodontic portion of the Advanced Prosthodontic Residency Program. He maintains a Prosthodontic practice geared toward aesthetic dentistry, full mouth rehabilitation using fixed, removable and implant prosthodontics and the treatment of Temporomandibular disorders.

Dr. Russell Kiser is a graduate of The Ohio State University College of Dentistry (1999, DDS). Subsequently, training at a general practice residency (GPR) at St. Luke's/St. Vincent's Charity Hospital in Cleveland, Ohio was completed (2000). Then, specialty training in Endodontics and a masters thesis was completed at The Ohio State University (2002, MS). Since then, he completed implant training at The Midwest Implant Institute in Columbus, Ohio (2006). Currently, he maintains a private practice and is on faculty at The Midwest Implant Institute.

Vickie McCune started in dentistry in 1978, as a dental assistant. She has been teaching, her true love, for 15 years. Anyone who has taken her courses remembers with fun and laughter how to do 'Sterile Protocol Technique' and 'Surgical Assisting' for Implant Dentistry.
